

Earn Continuing Ed Credits at Summer Neurodevelopment Training

Gain a deeper understanding of the strengths and breakdowns in your students' learning and how to respond effectively in this three-day training with CLC Network teacher consultant and All Kinds of Minds facilitator Pam Maat. Beginning Wednesday, June 14, we will explore a framework for understanding all learners and consider how this new insight can support your classroom and school priorities. This course is appropriate for grades K-12 and the curriculum is suited to mixed grade level groupings.

All Kinds of Minds Neurodevelopment training
with Pam Maat

Wednesday, June 14 – Friday, June 16

Dordt College (Sioux Center, IA)
